

Discontinued product notification: LTPR36 series

October 28th 2014

Dear Valued Customer,

Production of **LTPR36 series (1W LED pattern projectors)** will be discontinued.

We suggest you to replace LTPR36-x models with the corresponding color option within our new LTPRHP3W series or LTPRXP series.

In order to assist you and allow for future planning, we will offer a last-time buy opportunity of our LTPR36 series to support your needs.

Production will be discontinued on **June 30th 2015** (unless mutually agreed in advance with a supply agreement): after this date, LTPR36 series will no longer be produced¹. Contact our sales engineers ahead of such date to discuss about your specific needs.

Demo units will be available until **December 10th 2014**: after this date, demo units will no longer be shipped.

While we regret any inconvenience this announcement may cause, we appreciate and value our business relationship and we look forward to help you solve your machine vision challenges with our leading optical solutions.

All enquires and requests should be directed through the normal sales channels. Please [contact](#) our sales engineers to discuss about your specific needs.
