Opto Engineering® provides various kinds of cables to match our offer of illuminators, optics, cameras and accessories.
All the cables we offer meet industrial standards of robustness and durability.

SPECIFICATIONS

Electrical specifications

Type		Control
Number of poles		3
Conductor cross section	(AWG)	-
Cable diameter	(mm)	-
Cable length	(m)	1
Cable insultation material		-
Shield		Yes
Bending cycles	(cycles)	-
Minimum bending radius	(mm)	-
Side 1		DSUB - DB9 connector
Side 2		USB1.1 Type A
Other		RS485-USB adapter
Voltage rating	(VDC)	5
Current rating	(A)	0.07
IP rating		IP20

Environment

Operating temperature	(°C)	0-55

COMPATIBLE PRODUCTS

Full list of compatible products available *here*.

A wide selection of innovative machine vision components.

All product specifications and data are subject to change without notice to improve reliability, functionality, design or other. Photos and pictures are for illustration purposes only.
Data are reported by design, actual lens performance may vary due to manufacturing tolerances.
